In this intriguing look at one of the most talked-about books in Scripture, Jeff Cavins will explore Revelation to demonstrate how the Kingdom established by Christ in His Church is intimately connected with the Kingdom of Heaven, especially through the celebration of the Mass. You will also learn what all the mysterious figures and images of Revelation represent, as well as what will happen during the Second Coming of Christ, what has already happened, and what is happening now in Salvation History.

"Once you start learning he makes you hunger for more. Jeff pulls everything you need to know out of the Bible and it all starts to make sense like it never did before."
