Health Update for Fr. Mike

Last Monday, I met with my surgeon, and the two of us concluded that I came back to the Parish too soon after my surgery, and because of that, I now need to take more time for my rehabilitation and recovery.

With this in mind, I need to pull back a bit, for a while, so that I can focus my attention on physical therapy/exercise on a daily basis.

So for the next month, or longer if necessary, I will be present to the Parish for Masses, possible funerals, and already scheduled Parish meetings.

I will not be taking appointments or scheduling other meetings.

Deacon Tom and Sr. Maureen will be available to take the appointments that would normally come to me.

Hopefully, this will give me the time that I need to focus on my rehabilitation.

Please continue to keep me in your prayers!

—Rev. Michael Ratajczak, Pastor
